Please Note: Following the Property Misdescriptions Act 1991 these particulars have been prepared by Bushells on the basis of information provided by the vendor and give a brief description of the property for you to assess whether or not to inspect such property. Bushells have not carried out any form of survey or investigation of legal title. Accordingly, all room sizes are approximate and no opinion is offered by Bushells or by any employee or agent of Bushells, regarding the decoration, structure or structural condition of the property. You should therefore verify all matters relating to the decoration, structure and condition of the property through your own surveyor and those relating to title which includes freehold and leasehold details and levels of service charge through your own legal advisors.
